My name is Tetsuya Sakurai, and I am the manager of Mitsuyu Sangyo Inc. We would like to suggest our Baby Clothes CHIBI ALL, a product not yet sold in your country.

We're a general textile wholesaler that has been in business for over 130 years and consists of three departments: the Linen Service Department, the Home Living Department, and the Baby Products Department.

The Baby Goods Department sells mainly original brand baby clothes and baby clothes made in Japan.

We offer cost performance that maximizes the value of our products by managing the manufacturing process in-house, which is the key to planning, design, and distribution.

Please have a look at the attached document for further information. If you are interested in collaborating with us, I am more than happy to send you a sample or have a video meeting to hear you out. Would you mind letting me know what day and time is convenient for you?

I am looking forward to hearing from you.

Best regards,

TETSUYA SAKURAI | Manager
